PLATT LUGGAGE INC. is a manufacturer of professional cases for business and industry. Our mission is to lead the industry by providing quality products, superior customer service, technical innovation and on-time delivery.

Marc Platt and Dan Platt, the third and fourth generations of the Platt Family to lead the company.

ABOUT US

- Since 1921 Platt has been manufacturing quality cases in Chicago: "Quality that lasts!"
- Manufactured in the U.S.A. in a unionized facility.
- Extraordinary customer service—same-day shipment on Platt standard products.
- Drop-shipping service available
- 30-day evaluation program.
- State-of-the-art technology
- In-house cut-and-sew production
- In-house computer-aided design (CAD), vacuum-forming machines, CNC production machinery, water-jet cutting, foam fabricating machines.
- Off-shore facility for high-volume sewn products
- Dedicated sales representatives throughout North America.

CUSTOM MOLDED CASES

See reverse for more custom molded cases examples.

Experience and innovation makes Platt the leader – since 1921 – in the custom case industry. Our product development team and experienced engineering staff have the knowledge to create a custom solution to fit your unique requirements. Leverage the expertise of our engineers to develop a solution for your branding, protection and organization needs.

- Platt's Custom Molded Case solutions are the best-in-class for protecting, professionally presenting, and organizing your equipment.
- Customized to your specific needs, these cases are ideal for computer, video, audio, medical, electronic instrumentation and industrial equipment.
- Platt's Engineering team is expert in designing your custom case, based on your requirements.
- Build your custom case to fit any needs. Size, pockets, protection, color and portability requirements can all be customized.
- Cases are available with built-in wheels and telescoping handle.
- Foam interiors can be made to your individual requirements using any type of foam, including polyurethane foam, polyethylene foam, low abrasion, or anti-static foam.
- Options include different colors, stacking studs, TSA accepted combination lock, wheels and telescoping handle, key lock, and padlock loops.
- Brand the exterior of your case with custom aluminum nameplates or with a molded-in logo.
- Platt is a distributor of Pelican cases, and can customize your Pelican case with custom foam, branding, sewn accessories and other work.

STATE OF THE ART TECHNOLOGY

- IN-HOUSE CUT-AND-SEW OPERATIONS
- IN-HOUSE CAD DESIGN
- IN-HOUSE VACUUM FORMING MACHINES
- IN-HOUSE CNC PRODUCTION MACHINERY
- IN-HOUSE WATERJET CUTTING MACHINE
- IN-HOUSE FOAM FABRICATING SAWS
- IN-HOUSE FOAM CONVOLUTING MACHINE

WE CUSTOMIZE MOLDED CASES TO FIT ANY NEEDS!

CUSTOM SEWN CASES

See reverse for more custom sewn cases examples.

Experience and innovation makes Platt the leader – since 1921 – in the custom case industry. Our product development team and experienced engineering staff have the knowledge to create a custom solution to fit your unique requirements. Leverage the expertise of our engineers to develop a solution for your branding, protection and organization needs.

- Build your custom case to fit any needs. Size, pockets, protection, color and portability requirements can all be customized.
- Combine the lighter weight and sharp appearance of a custom sewn case with the protection and organization of a custom foam insert.
- Organize and protect your company's tools with custom tool pallets and rolls – sewn specifically for your set of tools. These pallets can be used along with Platt's extensive selection of tool cases.
- Brand your case with your logo - high quality embroidery or silk screening are available.
- Great for sales and marketing reps – professionally display your products to end customers, and protect those products on the road

CUSTOM FOAM

See reverse for more custom foam examples.

Experience and innovation makes Platt the leader – since 1921 – in the custom case industry. Since the start of the new century, Platt has added extensive capabilities in the design and manufacture of custom foam products. Our product development team and experienced engineering staff have the knowledge to create a custom solution to fit your unique requirements. Leverage the expertise of our engineers to develop a solution for your branding, protection and organization needs.

- Platt's custom-cut foam saves you time and provides the best in protection, professional presentation and organization for your project.
- Platt is a full-fledged foam fabricator. Customize your foam insert for any case or any application to fit perfectly around your items.
- Platt's Engineering team is expert in designing your foam insert, based on your requirements.
- Custom foam is available to use with any case, box or other application. Platt is your one-stop-shop for custom foam products, regardless of the application.
- Waterjet foam cutting cuts precise dimensions which give you a beautifully cut piece of foam.
- Many types of foam available, including polyurethane foam, polyethylene foam, low abrasion, or anti-static foam.
- Brand or identify your items with foam overlays that include text or logos. Label your parts or products to ease identification and product promotion.
- Add a velour topping to the foam for a more luxurious look to your insert.
- Great for sales and marketing reps – professionally display your products to end customers, and protect those products on the road.

GUARDSMAN™ CASES

[1016HW](#)

[1018HW](#)

[1013](#)

See chart below for more case sizes and models.

Stock Guardsman™ Cases

- Heavy-duty cases, great for shipping, transporting and protecting your equipment.
- Tested for vibrations, water resistance, tumbling and drops to meet ATA 300, category 1 specifications. Your equipment will be protected under the most difficult conditions!
- Heavy-duty aluminum rim and gasket, full-length piano hinge, spring-loaded handle and recessed hardware are designed to withstand difficult shipping and transportation conditions.
- Significantly better performance and lighter weight than plywood ATA cases.
- Get superior protection and travel light with heavy-duty black HMW polyethylene material with unique continuous industrial frame based on Platt's patented Guardsman™ design and construction. Provides the best in high-impact strength, durability, crack resistance and chemical resistance.
- Cases include built-in TSA accepted combination lock to keep your case contents secure while traveling.
- Guardsman™ cases with "L" suffix are only lined with high density foam.
- Guardsman™ cases with "F" suffix are lined with high density foam and filled with solid foam layers to configure for your needs, or have Platt customize foam for a perfect fit.+
- Guardsman™ cases come standard in black. Safety yellow, gray, orange and blue are also available.

+Minimum quantities may apply for custom foam.

Part Number	Inside Dimensions Inches			Interior Body Depth Inches	Exterior Dimensions Inches			Weight Pounds for "L" Lined Case	Wheels & Telescoping Handle

1018HW	25.5	17.5	17.5	14.5	28	22.25	22.25	38	Y

All of these cases come with Built-in TSA Accepted Lock.

*Airline Carry-on size.

TRAVEL SENTRY™ APPROVED

Using the TSA Accepted lock allows your luggage to be unlocked and inspected by security authorities without damage.

Custom Guardsman™ Cases

Experience and innovation makes Platt the leader – since 1921 – in the custom case industry. Our product development team and experienced engineering staff have the knowledge to create a custom solution to fit your unique requirements. Leverage the expertise of our engineers to develop a solution for your branding, shipping, protection and organization needs.

- Customized to your specific needs, these heavy-duty cases are strong but lightweight shipping cases ideal for computer, video, audio, medical, electronic instrumentation and industrial equipment.
- All orders, in quantities as few as one case, are quoted by Platt depending on size, foam interiors, other options and quantity.
- Construction features HMW polyethylene thermoplastic sheets bent to size and use our unique continuous frame construction for maximum strength and durability.
- Cases include full-length piano hinge, recessed spring-loaded handle and latches.
- Cases are available with built-in wheels and telescoping handle.
- Foam interiors can be made to your individual requirements using any type of foam, including polyurethane foam, polyethylene foam, low abrasion, or anti-static foam.
- Options include different colors, stacking studs, TSA accepted combination lock, fixed or removable casters, wheels and telescoping handle, key lock, and padlockable latches.
- Brand the exterior of your case with custom aluminum nameplates
- Platt's Guardsman™ cases are available in black, safety yellow, gray, orange and blue. Other special colors are available with minimum order requirements. Also available as a Jetalum™ all aluminum construction.
