

See reverse for more custom foam examples.

Experience and innovation makes Platt the leader – since 1921 – in the custom case industry. Since the start of the new century, Platt has added extensive capabilities in the design and manufacture of custom foam products. Our product development team and experienced engineering staff have the knowledge to create a custom solution to fit your unique requirements. Leverage the expertise of our

STATE OF THE ART TECHNOLOGY

- IN-HOUSE CAD DESIGN
- IN-HOUSE WATERJET CUTTING MACHINE
- IN-HOUSE FOAM FABRICATING SAWS
- IN-HOUSE FOAM CONVOLUTING MACHINE

- ▣ Platt's custom-cut foam saves you time and provides the best in protection, professional presentation and organization for your project.
- ▣ Platt is a full-fledged foam fabricator. Customize your foam insert for any case or any application to fit perfectly around your items.
- ▣ Platt's Engineering team is expert in designing your foam insert, based on your requirements.
- ▣ Custom foam is available to use with any case, box or other application. Platt is your one-stop-shop for custom foam products, regardless of the application.
- ▣ Waterjet foam cutting cuts precise dimensions which give you a beautifully cut piece of foam.
- ▣ Many types of foam available, including polyurethane foam, polyethylene foam, low abrasion, or anti-static foam.
- ▣ Brand or identify your items with foam overlays that include text or logos. Label your parts or products to ease identification and product promotion.
- ▣ Add a velour topping to the foam for a more luxurious look to your insert.
- ▣ Great for sales and marketing reps – professionally display your products to end customers, and protect those products on the road.

WE CUSTOMIZE FOAM TO FIT ANY NEEDS!
